General part of the prospectus

➤ **8. Shares**

The following paragraph has been added

"The shares of listed classes are all share classes indicated under Chapter 23 as "listed share classes". The Listed Share Classes are listed and negotiated on regulated Exchange Traded Market. The ETF Plus segment opened on 1 December 2014, and is dedicated to open-end UCITS funds, which differ from ETFs. Those listed share classes are indicated under Chapter 23 as "listed share classes" and can only be invested via Intermediaries through the ETF Plus segment of the Italian Stock Exchange. As such the listed share classes are accessible to all intermediaries that adhere both directly and indirectly to ETF Plus. This includes a wide

range of institutional and retail investors, who can buy or sell funds daily at a price equal to the NAV of the trading day, which are then calculated and disclosed the following day.

Banca Finnat

Palazzo Altieri - Piazza del Gesù, 49

00186 Roma Italia

will be the Appointed Intermediary supporting liquidity, while settlement will take place through Monte Titoli at T+3, according to the single instrument's settlement calendar.

The stock listed share class will not issue fractions and can only be invested as fully paid up Shares".

➤ **SFTs and TRS**

Policy on sharing of return generated by SFTs and TRS

The following paragraph has been replaced from

"All revenues arising from SFTs and TRS, net of direct and indirect operational costs and fees, will be returned to the Company.

Notwithstanding this, fees, commissions, costs or expenses may be paid to "SFT Agents" of the Company as normal compensation of their services (Hereafter referred to as operational costs).

SFT Agent means any person involved in SFTs and/or TRSs as securities lending agent, broker, collateral agent or service provider and that is paid fees, commissions, costs or expenses out of the Company's assets or any Sub-Fund's assets (which can be the counterparty of a Sub-fund in an SFT and/or a TRS).

SFT Agents are not related parties to the Investment Manager or the Management Company.

The SFT Agents that will charge operational costs and the amount of such costs will be disclosed in the annual report of the Company.

These operational costs may reach a maximum of 50% of revenues arising from efficient portfolio management techniques and do not include hidden revenues."

To

"All revenues arising from SFTs will be returned to the Sub-Funds as below determined:

Securities lending	at least 50 % of the income generated by Securities lending are returned back to the Sub-Fund participating in Securities lending.
