

Lugano, 01.06.2016. Paolo Cavatore, fund manager at **Banca Zarattini & Co SA**, in collaboration with Prof. Francesco Franzoni from the Institute of Finance at USI, the Swiss Finance Institute, the USI Career Service and the Lugano Finance Club, has the pleasure to announce the launch of "**Meet the Practitioner**", a new conference series.

During each conference, a finance professional will describe his/her career path and details on the typical working day, the workflow, and the technical skills that are used on the job. Each presentation will last approximately 45 minutes and there will be time for Q&A's.

The target audience for the first round of meetings is USI professors, researchers, and students while we are planning to open it to external people from the second round onward.

The second conference will discuss Fundamental Macroeconomic Analysis for Portfolio Allocation with:

Mr. GianLuigi Mandruzzato

Head of Macro & Fixed Income Research
at BSI Bank, Lugano

1st June 2016 at 6pm
Auditorium at USI

GianLuigi Mandruzzato holds a degree with distinction in Economics from University of Trieste and an MA in Economics from the School of Economic Studies of the University of Manchester.

During his professional career, he worked for Banca Commerciale and Banca Intesa in Milan where he served as Chief EMU economist.

He joined BSI Bank in Lugano in 2006. Since 2008 he is Head of Macro&Fixed Income research.
